Leckhampton Rise is a sought after development built by local developers Boo Homes and comprises just ten large executive homes in an elevated position with fine views across the town from the front and views up the hills.

This home is a beautifully presented four/five bedroom modern detached house in the desirable location of Leckhampton. The property would be an ideal large family home for a family who wants spacious living. The wonderful property comprises:- An entrance hall, a living room which features a log burner, a stunning kitchen/diner with integrated appliances and patio doors into the garden. Four double bedrooms and a fifth bedroom or study, the main bedroom offers a dressing room and a stylish en-suite. The bedroom two also offers a 4-piece en-suite and there is also a family bathroom and utility room. The home further benefits from off road parking, a home air filtration system and is on a quiet road with lovely outlook.

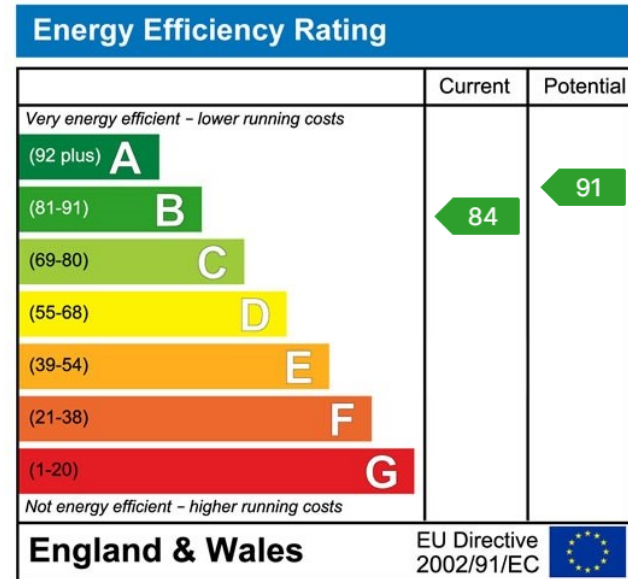

A must see house in a splendid part of town which offers so much space and adaptability.
